## (Covid-19) – Service information of DHL Global Forwarding CZ

Dear valuable customers

I would like to ensure you all, that DHL Global Forwarding (CZ) s.r.o. in line with announcements made by governmental authorities of the Czech Republic is putting in place preventive and protective measures to safeguard health and safety of our employees, suppliers and customers.

**Our services remain fully operational and you can reach us using all our as usual contact details.**

Therefore I would like to ensure you that even in difficult times as are today you can fully rely on our transportation services and our teams are doing maximum to help you to mitigate negative effects on your shipments and company logistics.

I would like to highlight that apart from the standard transportation services, us as DGF with our worldwide network **we are prepared to provide you also special transport solutions as charter flights or rail transportation.**

Last but not least all our employees are looking forward to help you and to provide you guidance and information regarding your shipments and related transport restrictions and requirements.

Please rest assured that we will keep you updated on any changes to the current situation. **If you need any further information, have any concerns or queries, please feel free to contact your account manager or customer service representative or please use following contacts:**  
**email: [cz.sales@dhl.com](mailto:cz.sales@dhl.com) phone: +421 261 198 735**

With kind regards,

Jiří Tůma  
Managing director
